## Application to Parliament

### Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

##### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

**SCHEDULE A.**—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,

Clerk of the Legislative Assembly  
of Ontario.

## Application to Parliament

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to

the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

### NOTICE OF APPLICATION FOR LEGISLATION

NOTICE IS HEREBY GIVEN THAT, on behalf of the Corporation of the City of Toronto, application will be made to the Legislative Assembly of the Province of Ontario, at its next Session, for special legislation:

1. To validate an agreement dated the 15th December, 1948, between the said Corporation and The Toronto Transportation Commission for transferring the Island Ferry Service and equipment to the said Commission to manage and operate and to authorize the cancellation of the existing agreement dated the 25th July, 1927, between the said parties.

2. To enable the said Corporation by by-law to establish a building line as a preliminary to the widening of Yonge Street and any other street in the City of Toronto, and to authorize the Corporation by by-law to extend, widen or divert Yonge Street or any other street or part thereof and provide that the carrying out of the work shall be deferred until a date named in such by-law, and to provide in such by-law for the payment of compensation and the settlement of claims.

3. To provide that the assessment rolls for the various wards in the City of Toronto made in the year 1948, or partly in the years 1948 and 1949, shall be the assessment upon which the taxes for the year 1949 shall be levied notwithstanding that such rolls are not returned within the time provided in The Assessment Act and notwithstanding that such rolls are not completely revised within such time.

4. (a) To authorize the assessment and taxation in the City of Toronto of a hotel of a steam railway company in respect of business assessment.

(b) To authorize the assessment and taxation of the steam heating building of a steam railway company on railway lands in the City of Toronto in respect of real property and business assessment.

(c) To authorize the assessment of railway companies in the City of Toronto each year instead of each five years.

5. To authorize the said Corporation to use any surplus funds remaining in the hands of the Treasurer from debentures issued for any of the works included in the North West Grade Separations for paying the Corporation's share of the cost of any of the North West Grade Separation Works or any other works for the separation of highway and railway grades in and adjoining the City of Toronto which have been or might be ordered by the Board of Railway Commissioners for Canada, or to redeem before maturity debentures issued for any such works.

6. To authorize the said Corporation, at its option, to pass by-laws for the issue of debentures without provision therein for the redemption of all the debentures or of a portion thereof on any date prior to maturity.

7. To authorize the Treasurer and the Auditor and other persons authorized to sign or counter sign cheques of the Corporation, to affix their signature to such cheques by the use of mechanical signing devices.

8. To validate and confirm all sales of land for taxes within the City of Toronto held prior to the 1st day of January, 1948, and the tax deeds issued pursuant thereto.

Dated at Toronto this 31st day of December, 1948.

Lewis, I have seized and taken in execution all the right, title, interest and equity of redemption of John P. Lewis in and to:

ALL AND SINGULAR that certain parcel or tract of land and premises situate, lying and being in the Township of York, and being composed of the northerly twenty-five feet (25') throughout from front to rear of Lot No. 287 on the east side of Snider Avenue, according to a Plan registered in the Registry Office, Registration Division of the East and West Riding of the County of York as No. 1855.

SUBJECT to a right of way for all lawful purposes, ingress, egress, and regress in, over, along and upon the westerly eighty-five feet (85') of the southerly four feet (4') of the northerly twenty-five feet (25') of said Lot No. 287.

TOGETHER WITH a like right of way over the westerly eighty-five feet (85') of the northerly four feet (4') of the southerly twenty-five feet (25') of the said Lot No. 287.

The said two strips of land to form a mutual right of way for the use of the owners and occupants from time to time of the lands hereby conveyed and the owners and occupants of the lands immediately to the

south thereof, provided that the projections thereon or thereover of the eaves, eavestroughing, downpipes, cornices and window sills shall not be deemed to be encroachments and further provided that the building standing in the month of December, 1944, on the northerly twenty-five feet (25') of said Lot No. 287 shall not be deemed to be an encroachment on the said rights of way and shall be allowed to remain in its present position.

ON THE PREMISES there is said to be erected a five roomed brick bungalow with bath, sunroom, and a recreation room in basement. There is also said to be a garage on the property known as No. 91 Campbell Avenue, Toronto. The property is at present rented for \$40.00 per month.

ALL OF WHICH said right, title, interest and equity of redemption of the said John P. Lewis in the said lands and tenements I shall offer for sale by public auction at my Office, Room 113, City Hall, Toronto, on Tuesday, the twelfth day of April, 1949, at 2.15 p.m.

Dated at Toronto this the 4th day of January, A.D. 1949.

J. DOUGLAS CONOVER,  
Sheriff, County of York.

## REGULATIONS MADE BY THE JUDGES UNDER THE COUNTY JUDGES ACT

### SHORTHAND WRITERS

1. In these regulations "page" means a typewritten page containing approximately three hundred words in thirty double-spaced lines.

2. Shorthand notes of evidence shall be transcribed on standard evidence paper being paper approximately 12 1/8 inches long, 8 1/8 inches wide and 16M weight with a 2-inch ruled margin on the left side and every fifth line numbered consecutively from top to bottom.

3. The transcript of evidence shall contain an index showing the name of each witness with a page reference to where his examination in chief commences, his cross-examination commences and his re-examination commences, and shall contain also a list of the exhibits and their numbers.

4. Where the transcript of evidence consists of twenty or more pages it shall be bound on the left side in book form with covers approximately 20M weight and where it consists of fewer than twenty pages it shall be similarly bound with or without covers.

5. The shorthand writer shall be entitled to take the following fees for copies of shorthand evidence—

1. For the copies required to be filed in an appeal and one copy for the appellant and one copy for the respondent,

(i) where three copies are required to be filed—sixty cents a page of one copy for the five copies required,

(ii) where five copies are required to be filed—sixty-five cents a page of one copy for the seven copies required, and

(iii) where a copy is ordered by or on behalf of the Attorney General or the counsel for the prosecution in a criminal appeal, of the above amount fifteen cents a page shall be paid by the Attorney General or the counsel for the prosecution.

2. For copies other than those provided for in item 1, thirty cents a page for ribbon copy and fifteen cents a page for carbon copy.

6. Except where he is wholly remunerated by salary, the shorthand writer shall be entitled to a fee of \$10 for each day he is actually engaged in court.

7. Except where he is wholly remunerated by salary, the shorthand writer in cases where no copies of the evidence are ordered shall be entitled to be remunerated at the rate of \$2.50 an hour but not more than \$10 in any day, for reading evidence to the judge from shorthand notes, which amount shall be paid by the county upon the certificate of the judge.

8. The copies of evidence ordered by the judge for his own use shall be paid for by the county upon the certificate of the judge.

9. These regulations shall come into force on the 1st day of January, 1949.

### Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

##### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to

the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,

Clerk of the Legislative Assembly  
of Ontario.

### NOTICE OF APPLICATION FOR LEGISLATION

NOTICE IS HEREBY GIVEN THAT, on behalf of the Corporation of the City of Toronto, application will be made to the Legislative Assembly of the Province of Ontario, at its next Session, for special legislation:

1. To validate an agreement dated the 15th December, 1948, between the said Corporation and The Toronto Transportation Commission for transferring the Island Ferry Service and equipment to the said Commission to manage and operate and to authorize the cancellation of the existing agreement dated the 25th July, 1927, between the said parties.

2. To enable the said Corporation by by-law to establish a building line as a preliminary to the widening of Yonge Street and any other street in the City of Toronto, and to authorize the Corporation by by-law to extend, widen or divert Yonge Street or any other street or part thereof and provide that the carrying out of the work shall be deferred until a date named in such by-law, and to provide in such by-law for the payment of compensation and the settlement of claims.

3. To provide that the assessment rolls for the various wards in the City of Toronto made in the year 1948, or partly in the years 1948 and 1949, shall be the assessment upon which the taxes for the year 1949 shall be levied notwithstanding that such rolls are not returned within the time provided in The Assessment Act and notwithstanding that such rolls are not completely revised within such time.

4. (a) To authorize the assessment and taxation in the City of Toronto of a hotel of a steam railway company in respect of business assessment.

(b) To authorize the assessment and taxation of the steam heating building of a steam railway company on railway lands in the City of Toronto in respect of real property and business assessment.

(c) To authorize the assessment of railway companies in the City of Toronto each year instead of each five years.

5. To authorize the said Corporation to use any surplus funds remaining in the hands of the Treasurer from debentures issued for any of the works included in the North West Grade Separations for paying the Corporation's share of the cost of any of the North West Grade Separation Works or any other works for the separation of highway and railway grades in and adjoining the City of Toronto which have been or might be ordered by the Board of Railway Commissioners for Canada, or to redeem before maturity debentures issued for any such works.

6. To authorize the said Corporation, at its option, to pass by-laws for the issue of debentures without provision therein for the redemption of all the debentures or of a portion thereof on any date prior to maturity.

7. To authorize the Treasurer and the Auditor and other persons authorized to sign or counter sign cheques of the Corporation, to affix their signature to such cheques by the use of mechanical signing devices.

8. To validate and confirm all sales of land for taxes within the City of Toronto held prior to the 1st day of January, 1948, and the tax deeds issued pursuant thereto.

Dated at Toronto this 31st day of December, 1948.

## Application to Parliament

### Private Bills

#### PUBLIC NOTICE

##### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,

Clerk of the Legislative Assembly  
of Ontario.

## Application to Parliament

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

**SCHEDULE A.**—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

**SCHEDULE B.**—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

**SCHEDULE C.**—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

**SCHEDULE D.**—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,

Clerk of the Legislative Assembly  
of Ontario.

## Application to Parliament

### Private Bills

#### PUBLIC NOTICE

#### LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

#### RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills or upon Report submitted by two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill, together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Ontario Companies Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867," shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration on the Petition.

If the application is by a Municipal Corporation for authority to issue debentures the notice shall set out the particulars of the existing debenture debt and the amount of the rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms, the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the lines of existing or authorized works of a similar character within, or in any way affecting the district or any part thereof which the proposed work is intended to serve. Such map or plan to be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census, the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer, or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amount of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments, such schedules to be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time shall, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when the Bill has been read a first time, shall, without special reference, stand referred to The Ontario Railway and Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or the part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same, and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time shall without special reference, stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alteration or amendments, if any, are necessary in the same, and in the event of the approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table, and shall be entered on the Journals of the House; and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill, before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law such Bill shall not be further considered.

ALEX. C. LEWIS, K.C.,

Clerk of the Legislative Assembly  
of Ontario.

### NOTICE OF APPLICATION FOR LEGISLATION

NOTICE IS HEREBY GIVEN THAT, on behalf of the Corporation of the City of Toronto, application will be made to the Legislative Assembly of the Province of Ontario, at its next Session, for special legislation:

1. To validate an agreement dated the 15th December, 1948, between the said Corporation and The Toronto Transportation Commission for transferring the Island Ferry Service and equipment to the said Commission to manage and operate and to authorize the cancellation of the existing agreement dated the 25th July, 1927, between the said parties.

2. To enable the said Corporation by by-law to establish a building line as a preliminary to the widening of Yonge Street and any other street in the City of Toronto, and to authorize the Corporation by by-law to extend, widen or divert Yonge Street or any other street or part thereof and provide that the carrying out of the work shall be deferred until a date named in such by-law, and to provide in such by-law for the payment of compensation and the settlement of claims.

3. To provide that the assessment rolls for the various wards in the City of Toronto made in the year 1948, or partly in the years 1948 and 1949, shall be the assessment upon which the taxes for the year 1949 shall be levied notwithstanding that such rolls are not returned within the time provided in The Assessment Act and notwithstanding that such rolls are not completely revised within such time.

4. (a) To authorize the assessment and taxation in the City of Toronto of a hotel of a steam railway company in respect of business assessment.

(b) To authorize the assessment and taxation of the steam heating building of a steam railway company on railway lands in the City of Toronto in respect of real property and business assessment.

(c) To authorize the assessment of railway companies in the City of Toronto each year instead of each five years.

5. To authorize the said Corporation to use any surplus funds remaining in the hands of the Treasurer from debentures issued for any of the works included in the North West Grade Separations for paying the Corporation's share of the cost of any of the North West Grade Separation Works or any other works for the separation of highway and railway grades in and adjoining the City of Toronto which have been or might be ordered by the Board of Railway Commissioners for Canada, or to redeem before maturity debentures issued for any such works.

6. To authorize the said Corporation, at its option, to pass by-laws for the issue of debentures without provision therein for the redemption of all the debentures or of a portion thereof on any date prior to maturity.

7. To authorize the Treasurer and the Auditor and other persons authorized to sign or counter sign cheques of the Corporation, to affix their signature to such cheques by the use of mechanical signing devices.

8. To validate and confirm all sales of land for taxes within the City of Toronto held prior to the 1st day of January, 1948, and the tax deeds issued pursuant thereto.

## APPLICATION TO PARLIAMENT

NOTICE IS HEREBY GIVEN that application will be made by the Corporation of the Township of Toronto, in the County of Peel, to the Legislative Assembly of the Province of Ontario, at the next Session thereof, for an Act to amend the Township of Toronto Act, Chapter 94, Statutes of Ontario, 22 George V, 1932, authorizing the Council of the said Corporation to pass by-laws:

- (a) For the construction of local improvement work in defined areas or sections.
- (b) Providing for the levying of the cost of acquiring, construction or extension of such local improvement works upon such areas or sections.

- (c) Providing for the construction and installation of branch watermain or extension of local improvement works and the levying of the cost thereof against the lands served by such extension of local improvement works.
- (d) Providing for an apportionment of the cost of local improvement works to be levied partly on a defined section or area and partly on the lands benefited.
- (e) Providing for the enlargement, extension or amalgamation of any two or more defined areas or sections and also providing for levying costs of same.
- (f) Providing that the above construction, alteration or extension shall not be deemed an assumption of streets as highways by the said Municipality.
- (g) Authorizing the said Corporation to pass by-laws for borrowing from time to time the money necessary for carrying out the above works and for issuing debentures therefor and for levying such sums as may be requisite for the purpose of paying said debentures and interest.
- (h) For authorizing the said Municipality to carry on, maintain and operate such local improvement works by the levying and collection of a special rate on the real property contained in any such defined section or area.
- (i) Authorizing the surplus revenues from the operation of such local improvement works to be applied towards reduction of the operating cost of same or towards the payment of the debenture issued therefor and interest.
- (j) To provide that all losses in connection with the operation of the said system shall be charged against such respective defined areas and levied thereon.
- (k) Providing that the form of procedure for undertaking any work shall be that as prescribed by the Local Improvement Act and amendments thereto and also providing that it shall not be necessary to submit by-laws passed under the authority therein for the assent of the electors.
- (l) Providing that the sections of The Municipal Act and amendments thereto in respect to the registration and validity of Local Improvement By-laws shall apply to by-laws passed by the Corporation.
- (m) Authorizing the Corporation to supply services for use outside of such sections or areas.
- (n) Authorizing Municipalities situated within the said Township and adjacent thereto or their respective public utilities commissions to enter into a contract or contracts with the said Township of Toronto for the supply of public utilities services.

## Cancellation of Dredging Lease No. 9822

### CANCELLATION OF DREDGING LEASE No. 9822

WHEREAS His Majesty the King, in right of Ontario, as represented by the Minister of Mines, in pursuance of The Mining Act and The Short Forms of Leases Act issued a lease dated the 14th of May, 1947, in the name of McCartney-Smith Exploration Limited, for a period of ten years from the 1st of June, 1947, for all that parcel or tract of land lying and being in the Townships of Price, Fripp and Musgrove, in the District of Timiskaming, containing 3,550 acres, more or less, and more particularly described as follows:

Commencing at a point in the centre of the Grassy river, in the Township of Price, in the District of Timiskaming, where it is intersected by a line drawn east astronomically from the One Mile Post on the

boundary between Price and Thornloe Townships, thence east astronomically a distance of 1320 feet; thence sotherly, southwesterly, southeasterly and southerly through the Townships of Price, Fripp and Musgrove, parallel to the course of the Grassy river, and always at a distance of 1320 feet easterly from the centre line thereof, to a point in the Township of Musgrove, where the same is intersected by a line drawn east astronomically from the Three Mile Post on the boundary between Musgrove and Doyle Townships, thence west astronomically a distance of 2640 feet to a point 1320 feet west of the centre line of the Grassy river, thence northerly, northeasterly, northwesterly and northerly through the said Townships of Musgrove, Fripp and Price, parallel to the centre line of the Grassy River and always at a distance of 1320 feet westerly therefrom, to a point distant 1320 feet west of the point of commencement, thence east astronomically a distance of 1320 feet to the point of commencement.

And whereas it was provided in the said lease that the lessee should perform or cause to be performed on the lands described therein development work to the value of not less than \$3.50 an acre, and not later than the 30th of June in each year satisfy the Minister of Mines that the work had been performed and furnish an affidavit setting out a detailed statement of the work done.

And whereas, as provided in section 186 of The Mining Act, the lessee at his last known address in the Department was called upon by registered letter dated the 17th of December, 1948, to furnish proof that the expenditure for work on the leased lands had been made.

And whereas the lessee has failed to submit the same.

Public Notice is, therefore, given and it is declared that such lease is forfeited and void and accordingly all the interests of the lessee, his heirs, executors, administrators and assigns, shall be deemed to have ceased and determined and the land included in such lease is reverted in the Crown, freed and discharged from every claim.

(Signed) LESLIE M. FROST,  
Minister of Mines.

Dated at Toronto, this  
7th day of February, 1949.

### NOTICE

NOTICE IS HEREBY GIVEN that the Council of the Township of North York has enacted the following By-law to compel the prevention of smoke nuisance within the Township of North York in accordance with the provisions of The Municipal Act, R.S.O. 1937, Sec. 405 (71):

### TOWNSHIP OF NORTH YORK

#### By-LAW NUMBER 5992

A By-law to compel the prevention of  
smoke nuisance

The Municipal Council of the Corporation of the Township of North York hereby enacts as follows:

1. That no Owner, Lessee, Tenant, Agent, Manager of Occupant of any premises or of a steam boiler in connection with which a fire is burning, and no person who operates, uses or causes or permits to be used any furnace or fire, within the limits of the Corporation of the Township of North York, shall permit the emission to the atmosphere from such fire of opaque or dense smoke for a period of more than six minutes in any one hour, or at any other point than the opening to the atmosphere of the flue, stock or chimney. Nothing herein contained shall apply to a furnace or fire used in connection with the reduction, refining or smelting of ores or minerals or the manufacture of cement, brick or tiles, or to dwelling houses, except apartment houses.

2. That no person shall incur a penalty for an infraction of this By-law until ninety days after notice from the Corporation of the existence of such By-law, and such notice may be given by the publication of the By-law in The ONTARIO GAZETTE and in a daily newspaper published in the Municipality for four successive weeks.

3. That any person convicted of a breach of any of the provisions of this By-law shall forfeit and pay at the discretion of the convicting Magistrate, a pen-

alty not exceeding, exclusive of costs, the sum of Fifty Dollars (\$50.00) for each offence.

Enacted and passed this 27th day of January, A.D. 1949.

4.—(1) No work shall be performed in the industry on,—

- (a) Sunday;
- (b) Wednesday; or
- (c) a holiday.

(2) During the week in which Christmas Day is celebrated 8 hours of work may be performed between 9 a.m. and 6 p.m. on Wednesday in that week.

##### CLASSIFICATION OF EMPLOYEES

5. The following classification of employees working in the industry is established:

Class A—A person who is given full-time employment on a minimum weekly rate of wages plus a percentage or commission.

Class B—A person who is given part-time or casual employment on a percentage or commission with a minimum rate of wages.

##### MINIMUM RATES OF WAGES

6.—(1) The minimum rates of wages for all work performed in the industry by employees shall be,—

- (a) \$25 a week plus 60 per cent of the proceeds in excess of \$36 from the work performed by Class A employees; and
- (b) 65 per cent of the proceeds from the work performed by Class B employees with a minimum rate of wages of 75 cents an hour.

(2) The percentages in subsection 1 shall be computed upon the gross receipts for work performed at not less than,—

- (a) the minimum charge for each operation established in section 8; or
- (b) the prevailing charge established in the shop for each operation,

whichever is the greater charge.

7. No deductions shall be made from the minimum rates of wages for,—

- (a) materials supplied;
- (b) laundry service; or
- (c) operating expenses.

##### MINIMUM CHARGES

8.—(1) The minimum charge for each operation in the industry shall be,—

## APPLICATION TO PARLIAMENT

NOTICE IS HEREBY GIVEN that application will be made by the Corporation of the Township of Toronto, in the County of Peel, to the Legislative Assembly of the Province of Ontario, at the next Session thereof, for an Act to amend the Township of Toronto Act, Chapter 94, Statutes of Ontario, 22 George V, 1932, authorizing the Council of the said Corporation to pass by-laws:

- (a) For the construction of local improvement work in defined areas or sections.
- (b) Providing for the levying of the cost of acquiring, construction or extension of such local improvement works upon such areas or sections.

- (c) Providing for the construction and installation of branch watermain or extension of local improvement works and the levying of the cost thereof against the lands served by such extension of local improvement works.
- (d) Providing for an apportionment of the cost of local improvement works to be levied partly on a defined section or area and partly on the lands benefited.
- (e) Providing for the enlargement, extension or amalgamation of any two or more defined areas or sections and also providing for levying costs of same.
- (f) Providing that the above construction, alteration or extension shall not be deemed an assumption of streets as highways by the said Municipality.
- (g) Authorizing the said Corporation to pass by-laws for borrowing from time to time the money necessary for carrying out the above works and for issuing debentures therefor and for levying such sums as may be requisite for the purpose of paying said debentures and interest.
- (h) For authorizing the said Municipality to carry on, maintain and operate such local improvement works by the levying and collection of a special rate on the real property contained in any such defined section or area.
- (i) Authorizing the surplus revenues from the operation of such local improvement works to be applied towards reduction of the operating cost of same or towards the payment of the debenture issued therefor and interest.
- (j) To provide that all losses in connection with the operation of the said system shall be charged against such respective defined areas and levied thereon.
- (k) Providing that the form of procedure for undertaking any work shall be that as prescribed by the Local Improvement Act and amendments thereto and also providing that it shall not be necessary to submit by-laws passed under the authority therein for the assent of the electors.
- (l) Providing that the sections of The Municipal Act and amendments thereto in respect to the registration and validity of Local Improvement By-laws shall apply to by-laws passed by the Corporation.
- (m) Authorizing the Corporation to supply services for use outside of such sections or areas.
- (n) Authorizing Municipalities situated within the said Township and adjacent thereto or their respective public utilities commissions to enter into a contract or contracts with the said Township of Toronto for the supply of public utilities services.

NOTICE IS HEREBY GIVEN that the Council of the Township of North York has enacted the following By-law to compel the prevention of smoke nuisance within the Township of North York in accordance with the provisions of The Municipal Act, R.S.O. 1937, Sec. 405 (71):

## TOWNSHIP OF NORTH YORK

## By-LAW NUMBER 5992

A By-law to compel the prevention of  
smoke nuisance

The Municipal Council of the Corporation of the Township of North York hereby enacts as follows:

1. That no Owner, Lessee, Tenant, Agent, Manager of Occupant of any premises or of a steam boiler in connection with which a fire is burning, and no person who operates, uses or causes or permits to be used any furnace or fire, within the limits of the Corporation of the Township of North York, shall permit the emission

to the atmosphere from such fire of opaque or dense smoke for a period of more than six minutes in any one hour, or at any other point than the opening to the atmosphere of the flue, stock or chimney. Nothing herein contained shall apply to a furnace or fire used in connection with the reduction, refining or smelting of ores or minerals or the manufacture of cement, brick or tiles, or to dwelling houses, except apartment houses.

2. That no person shall incur a penalty for an infraction of this By-law until ninety days after notice from the Corporation of the existence of such By-law, and such notice may be given by the publication of the By-law in The ONTARIO GAZETTE and in a daily newspaper published in the Municipality for four successive weeks.

3. That any person convicted of a breach of any of the provisions of this By-law shall forfeit and pay at the discretion of the convicting Magistrate, a penalty not exceeding, exclusive of costs, the sum of Fifty Dollars (\$50.00) for each offence.

Enacted and passed this 27th day of January, A.D. 1949.

 Filed—12th February, 1949, 9.45 a.m.

## REGULATIONS MADE BY THE MINISTER UNDER THE DEPARTMENT OF EDUCATION ACT

1. Regulation 5 of Ontario Regulations 240/47 is revoked and the following substituted therefor:

5.—(1) On or before the 1st day of May, every candidate shall file an application in form 1 and a statement in form 2 with the principal of the school at which he proposes to write the examinations.

(2) Except where he obtains the written permission of the Registrar to write at more than one examination centre, a candidate shall write all his examinations at one centre.

2. Regulation 7 of Ontario Regulations 240/47 is revoked and the following substituted therefor:

7.—(1) One question paper shall be set in each of algebra, geometry, trigonometry and statics, history, physics, chemistry, botany, zoology, music, mathematics of investment, accountancy practice, secretarial practice, and problems.

(2) Two question papers shall be set in each of English, French, French for French-speaking candidates, German, Greek, Italian, Latin, and Spanish.

3. Ontario Regulations 240/47 are amended by adding thereto the following:

12a. The chief presiding officer at a private-school examination centre shall be a public- or separate-school inspector, or a teacher who holds a Permanent First Class Certificate or a High School Assistant's Certificate.

4. Regulation 14 of Ontario Regulations 240/47 is revoked and the following substituted therefor:

14.—(1) Subject to subregulation 3, the teachers of the high, continuation or vocational schools shall be assistant presiding officers.

(2) The assistant presiding officers at a private-school examination centre shall be teachers from other schools.

(3) Every presiding officer shall hold a Permanent First Class Certificate or a High School Assistant's Certificate.

5. Clause *a* of subregulation 2 of regulation 16 of Ontario Regulations 240/47 is revoked and the following substituted therefor:

(a) check the seal of the bag to see that it is intact and that the words "Ed. Dept. Ont. Can." are printed thereon; and

6. Regulation 36 of Ontario Regulations 240/47 is revoked and the following substituted therefor:

36. The board shall supply for the grade XIII examinations,—

(a) examination books, pens, blotting paper, blue or black ink of a uniform colour, and squared paper;

(b) five-figure logarithmic and interest tables; and

(c) music manuscript-paper.

7. Clause *e* of subregulation 1 of regulation 39 of Ontario Regulations 240/47 is revoked and the following substituted therefor:

(e) see that each candidate for the algebra examination, the trigonometry and statics examination, and the physics examination, is provided with logarithmic and interest tables; and

(f) give each candidate for the music examination 1 sheet of music manuscript-paper.

8. Subregulation 2 of regulation 39 of Ontario Regulations 240/47 is revoked and the following substituted therefor:

(2) The presiding officer may give a candidate additional sheets of squared paper or of music manuscript-paper, one at a time.

9. Subregulation 1 of regulation 53 of Ontario Regulations 240/47 is revoked and the following substituted therefor:

53.—(1) Where a candidate has submitted his application and subsequently desires to write 1 or more grade XIII examinations at an examination centre other than the centre at which he originally applied, he shall, through his principal, make application to the registrar for permission to do so.

10. Regulation 59 of Ontario Regulations 240/47 is amended by adding thereto the following:

- (h) "joint recreation-committee" means a committee appointed jointly by two or more municipal councils to conduct a joint community-programme;
- (i) "municipal council" means the council of a municipality under *The Municipal Act*;
- (j) "recreation committee" means a committee appointed by a municipal council to conduct a community programme; and
- (k) "recreation" means cultural, educational, physical and social activities but does not include the direction or supervision of a school programme of recreation.

(2) Approved maintenance and operating costs shall be subject to the approval of the Minister.

#### COMMUNITY PROGRAMMES

2.—(1) With the approval of the Minister, a municipal council may appoint a recreation committee of 7 persons.

(2) The committee may appoint,—

- (a) a director;
- (b) such assistance as it may deem necessary; and
- (c) a secretary for the director.

#### CONDITIONS OF GRANTS FOR COMMUNITY PROGRAMMES

3. A municipal council conducting a community programme shall be eligible for the grants under regulation 4 if,—

- (a) the programme is in charge of a recreation committee;
- (b) the content of the programme is approved by the Minister;

(c) the accommodation and facilities for conducting the programme are approved by the Minister; and

(d) the director is approved by the Minister.

#### APPORTIONMENT OF GRANTS FOR COMMUNITY PROGRAMMES

4.—(1) Where a municipal council complies with regulation 3, it shall be paid the following annual grants:

- (a) 33-1/3 per cent of the annual salary of the director;
- (b) 33-1/3 per cent of the annual salary of the director's secretary;
- (c) subject to subregulation 2, 33-1/3 per cent of the annual salary of each assistant; and
- (d) 20 per cent of approved maintenance and operating costs.

(2) The Minister may determine the number of assistants in respect of which the grant under clause *c* of subregulation 1 shall be paid.

(3) The maximum grants shall be as follows:

- (a) \$1000 under clause *a* of subregulation 1;
- (b) \$500 under clause *b* of subregulation 1;
- (c) \$500 under clause *c* of subregulation 1; and
- (d) \$400 under clause *d* of subregulation 1.

(4) The total of the grants shall not exceed,—

- (a) \$1600 under clause *c* of subregulation 1; and
- (b) \$3500 under subregulation 1.

#### JOINT COMMUNITY-PROGRAMMES

5.—(1) With the approval of the Minister, two or more municipal councils of municipalities having a combined population of under 25,000 may appoint a joint recreation-committee of 9 persons.

(2) The committee may appoint,—

- (a) a director;
- (b) such assistants as it may deem necessary; and
- (c) a secretary for the director.

(3) The municipal councils may enter into an agreement for the purpose of programmes of recreation.

#### CONDITIONS OF GRANTS FOR JOINT COMMUNITY-PROGRAMMES

6. Two or more municipal councils conducting a joint community-programme shall be eligible for the grants under regulation 7 if,—

- (a) the programme is in charge of a joint recreation-committee;
- (b) the content of the programme is approved by the Minister;
- (c) the accommodation and facilities for conducting the programme are approved by the Minister; and
- (d) the director is approved by the Minister.

#### APPORTIONMENT OF GRANTS FOR JOINT COMMUNITY-PROGRAMMES

7.—(1) Where two or more municipal councils comply with regulation 6, they shall be paid jointly the following annual grants:

- (a) 33-1/3 per cent of the annual salary of the director;
- (b) 33-1/3 per cent of the annual salary of the director's secretary;
- (c) subject to subregulation 2, 33-1/3 per cent of the annual salary of each assistant; and
- (d) 20 per cent of approved maintenance and operating costs.

(2) The Minister may determine the number of assistants in respect of which the grant under clause *c* of subregulation 1 shall be paid.

(3) The maximum grants shall be as follows:

- (a) \$1000 under clause *a* of subregulation 1;
  - (b) \$500 under clause *b* of subregulation 1;

  - (d) \$400 under clause *d* of subregulation 1.
- (4) The total of the grants shall not exceed,—
- (a) \$1600 under clause *c* of subregulation 1; and
  - (b) \$3500 under clause *d* of subregulation 1.

#### AREA COMMUNITY-PROGRAMMES

8. For the purpose of conducting area community-programmes joint recreation-committees may appoint area recreation-committees, and recreation committees in municipalities having a population of at least 25,000 may appoint area recreation-committees and area recreation-directors.

#### GRANTS FOR AREA COMMUNITY-PROGRAMMES

9.—(1) Where two or more municipal councils,—

- (a) are entitled to a grant under subregulation 1 of regulation 7; and
- (b) conduct area community-programmes each in charge of an area recreation-committee,

they shall be paid jointly an additional annual grant of 20 per cent of the approved maintenance and operating costs of each area community-programme but not exceeding \$100.

(2) Where the municipal council of a municipality having a population of at least 25,000,—

- (a) is entitled to a grant under subregulation 1 of regulation 4;
- (b) conducts area community-programmes each in charge of an area recreation-committee,

it shall be paid additional annual grants as follows:

- (i) 33-1/3 per cent of the annual salary of each full-time area recreation-director but not exceeding \$700; and
- (ii) 20 per cent of the approved maintenance and operating costs of each area community-programme but not exceeding \$200.

## LIMITATION OF GRANTS

10. The number of area community-programmes in respect of which grants shall be paid shall be determined by the Minister.

11. The total of the additional annual grants shall not exceed,—

- (a) under subregulation 1 of regulation 9, \$800; or
- (b) under subregulation 2 of regulation 9,—
  - (i) \$1800 for a municipality having a population of at least 25,000 but under 75,000;
  - (ii) \$3600 for a municipality having a population of at least 75,000 but under 200,000; or
  - (iii) \$6300 for a municipality having a population of at least 200,000.

## MULTIPLICITY OF PROGRAMMES

12. No municipal council shall be paid a grant under these regulations where it,—

- (a) conducts at the same time a community programme and a joint community-programme; or
- (b) enters into more than one agreement under subregulation 3 of regulation 5.

## SPECIAL GRANTS

13. With the approval of the Minister, any provincial organization which conducts a programme of recreation and is ineligible for a grant under Part 2 of Ontario Regulations 85/48 or the foregoing regulations may be paid a special grant not exceeding \$1,000 a year.

## REDUCTION IN GRANTS

14. Where in any year the amount voted by the Legislature for the grants under these regulations is insufficient to pay the grants in full, the Minister may make a *pro rata* reduction.

## REVOCATION OF REGULATIONS

15. Ontario Regulations 77/45 are revoked.

Toronto, January 17th, 1949.

Filed—14th February, 1949, 9.35 a.m.

REGULATIONS MADE UNDER  
THE LAKES AND RIVERS  
IMPROVEMENT ACT

1. The site described in Schedule 1 and the plans,—

- (a) described in the first column; and
- (b) filed in the Office of the Registrar of Regulations at the Parliament Buildings, Toronto, by the plan number in the second column,

of Schedule 2 and mode of construction in Schedule 3 of the dam of Mr. Allan T. Brown, of the City of Peterborough, known as the Kasshabog Lake Dam are approved.

SCHEDULE 1

In the Township of Methuen in the County of Peterborough, being,—

- (a) part of broken lot 9 in Concession VIII; and
- (b) part of the land under the waters of Kasshabog Lake and North River adjacent to broken lot 9 in Concession VIII,

and being a strip of land 50 feet wide lying between two lines drawn parallel to and on opposite sides of the line of the up-stream face of the dam, distant 20 feet measured northerly and perpendicularly, and distant 30 feet measured southerly and perpendicularly, respectively, from the line of the up-stream face of the dam and, premising that all bearings are astronomic and are referred to the meridian through the north-

east angle of lot 8 in Concession X, which up-stream face of the dam may be located as follows:

Commencing at a point in the high-water mark on the westerly shore of Kasshabog Lake, and which point may be located by starting at the rock survey-post, referenced by a stone mound, planted on an island in Kasshabog Lake, and being on the centre-line of the road allowance between concessions VII and VIII distant 594 feet measured north 21° 40' west from a point on the production south 68° 58' west of the centre-line of the road allowance between lots 10 and 11 in Concession VII, and which rock survey-post is shown on plan of municipal survey recorded as number 794 in the Department of Lands and Forests; thence south 22° 29' west 5171.4 feet to the point of commencement; thence north 70° 34' east 81.5 feet, as shown marked in red on plan number 13 filed in the office of the Registrar of Regulations at the Parliament Buildings, Toronto.

SCHEDULE 2

Description of Plan	Plan Number
Plan showing detail of dam-site and proposed concrete dam.....	14

SCHEDULE 3

MODE OF CONSTRUCTION

TYPE OF WORKS

- 1.—(1) The dam shall,—
  - (a) be a concrete gravity-type dam extending across the North River at the outlet of Kasshabog Lake; and
  - (b) comprise,—
    - (i) a bulkhead section;
    - (ii) two stop-log-sluice piers;
    - (iii) a stop-log sluice-way; and
    - (iv) a spillway section,as shown on the plan.
- (2) The bulkhead section shall,—
  - (a) be,—
    - (i) constructed of concrete; and
    - (ii) of gravity-type design,with a top width of 2 feet and a down-stream slope of 7 units vertical to 4 units horizontal; and
  - (b) extend easterly from the east stop-log-sluice pier to meet solid rock at local elevation 111 feet.
- (3) The stop-log-sluice piers shall each,—
  - (a) be,—
    - (i) constructed of concrete;

- (ii) of gravity-type design; and
- (iii) 5 feet in length, with a top width of 5 feet 6 inches and down-stream slope of 7 units vertical to 4 units horizontal; and
- (b) extend to local elevation 111 feet.
- (4) The stop-log sluice-way shall,—
- (a) be,—
  - (i) 10 feet 8 inches in width; and
  - (ii) equipped with timber stop-logs 10 inches in thickness; and
- (b) have a sill at local elevation 102.5 feet, or 4.8 feet below "regulated" water level.
- (5) The spillway section shall,—
- (a) be,—
  - (i) constructed of concrete; and
  - (ii) of gravity-type design,
 with a top width of 2 feet and a down-stream slope of 7 units vertical to 4 units horizontal; and
- (b) extend westerly from the west stop-log-sluice pier to meet solid rock at local elevation 109 feet.

## DESIGN AND SPECIFICATIONS

- 2. The dam is designed to resist,—
- (a) the hydrostatic pressure on the up-stream face, with water-elevation at local elevation 111 feet; and
- (b) in combination with water at local elevation 107.3 feet, an ice pressure of 2000 pounds per lineal foot.
- 3. For design purposes, the concrete has been taken as weighing 150 pounds per cubic foot.
- 4. The stop-logs are designed for a working-stress of 800 pounds per square inch.
- 5. The specification of concrete for the dam is 2500 pounds per square inch.
- 6. The specification of reinforcing steel is Billet-steel with 18000 pounds per square inch allowable working stress.
- 7. The dam shall be built on solid rock which underlies the site.

JOHN G. PIERCE,  
Engineer in charge of the work.

THE LIGHTNING RODS ACT, 1948

## INTERPRETATION

## 1. In these regulations,—

- (a) "air-terminal" means a pointed tube or rod extending upwards from a conductor;
- (b) "air-terminal support" means a device used for the purpose of holding an air-terminal firmly in position;
- (c) "auxiliary grounding" means an additional grounding connected to a main grounding;
- (d) "bonded" means in permanent and tight mechanical and electrical contact;
- (e) "branch-conductor" means a conductor which branches off at an angle from a continuous run of conductor;
- (f) "cable" means a number of wires twisted or braided to form a conductor;
- (g) "conductor" means that portion of a system designed to carry the current of a lightning discharge to ground;
- (h) "cone of protection" means a vertical cone that has an air-terminal point at its apex and with the radius of its base not greater than the vertical height of the air-terminal above the base;
- (i) "connector" means a device used to make a connexion between 2 conductors or between a conductor and another part of a system or between a conductor and a metallic object;
- (j) "copper-clad steel" means steel having a continuous coating of copper welded to it, the coating of copper constituting at least one-fourth of the total cross-sectional area;
- (k) "dead-end conductor" means a conductor having no grounding other than through the conductor from which it branches;
- (l) "down-conductor" means the vertical portion of a conductor which ends at a ground connexion;
- (m) "fastener" means a device used to hold a conductor in place;
- (n) "flat roof" means a roof that is horizontal or has a vertical rise of not more than 1 foot for each 4 feet measured horizontally;
- (o) "galvanized" means protected with a coating of zinc capable of withstanding four one-minute immersions in a saturated copper sulphate solution without showing a fixed deposit of copper;
- (p) "gauge" means a measure of the diameter of wire or the thickness of sheet metal in accordance with the American Wire Gauge or Brown and Sharpe Gauge Standards;
- (q) "grounding" means that portion of a conductor underground, making electrical contact with the earth;
- (r) "ground-rod" means a solid rod of copper, copper-clad steel or galvanized steel used as a grounding;
- (s) "independent grounding" means a grounding which is connected to some metallic object but not to the main system;
- (t) "main grounding" means that portion of a

grounding that is the direct continuation of a down-conductor;

- (u) "metal-clad" means having sides made of or covered with metal;
- (v) "metal-roofed" means having a roof made of or covered with metal; and
- (w) "system" means materials assembled and installed on a building or structure for the purpose of protecting it from damage by lightning.

2. Regulations 3 to 56, both inclusive, shall not apply to,—

- (a) tall chimneys of power, heating and processing plants, or
- (b) explosive-magazines, oil-tanks and reservoirs.

#### MATERIALS

3.—(1) Materials used in a system, except,—

- (a) copper-clad steel and galvanized steel rods used as groundings;
- (b) galvanized iron used for air-terminal supports, connectors, nails, screws, bolts and plates for making connexions to a metal roof or metal siding; and
- (c) lead used as anchors or to protect other materials from corrosion,

shall be copper, copper alloy or aluminum.

(2) Aluminum, whether part of a system or of a structure on which it is installed, shall not be in contact with copper or copper alloy.

(3) Aluminum shall not be installed underground or embedded in concrete or masonry.

#### CABLE CONDUCTORS

4.—(1) Cable shall consist of not less than 7 wires of soft drawn copper or aluminum, no wire in the core being of lighter gauge than the smallest surface wire and no wire less than 17-gauge copper or 14-gauge aluminum.

(2) On structures not exceeding 60 feet in height copper cable shall weigh not less than 3 ounces and aluminum cable not less than 2 ounces a linear foot.

(3) On structures exceeding 60 feet in height copper cable shall weigh not less than 4 ounces and aluminum cable not less than 2.75 ounces a linear foot.

(4) Where a structure consists of sections of different heights, the cable protecting each section shall weigh at least as much as the cable required for separate structures of the same respective heights.

#### JOINTS IN CABLE CONDUCTORS

5.—(1) Joints in and connexions to cable conductors shall withstand a pull of 200 pounds and provide permanent electrical contact.

(2) A straight, T or Y cable-connexion shall be made with a connector of at least 17-gauge malleable copper or copper alloy or 14-gauge aluminum and of such design as will ensure contact of the connector with at least 3 inches of each of the inter-connected cables, except that a T or Y connexion may be made by unravelling at least 10 inches of the end of one cable, dividing it into two equal or nearly equal parts, tightly wrapping the two parts in opposite directions around and along the other cable and securing the ends of the wires against becoming loose.

(3) Where 2 cables cross each other they shall be bonded by a crimped, bolted or rivetted connector fitted snugly around both cables or by wrapping them together at the intersection with not less than 4 loops of 14-gauge or larger wire.

#### STRAP CONDUCTORS

6.—(1) Strap conductors shall be at least 17-gauge copper or 14-gauge aluminum, not less than  $1\frac{1}{2}$  inches wide on buildings and structures not exceeding 60 feet in height and 2 inches wide on buildings and structures exceeding 60 feet in height.

(2) Holes in strap conductors to accommodate bolts, rivets and screws shall be spaced at least  $\frac{3}{4}$  inch from centre to centre and at least  $\frac{1}{4}$  inch from the edges of the strap.

(3) Strap conductors shall have only such holes as are necessary for fasteners, connexions and adjustment of the strap when used to ground or interconnect metallic bodies.

#### JOINTS IN STRAP CONDUCTORS

7.—(1) A straight, T or Y strap connexion shall be made by means of at least 2 bolts or 2 rivets and with an overlap equal to the width of the strap.

(2) Where 2 strap conductors cross they shall be bonded by means of a bolt or rivet.

(3) Rivets and bolts used in making strap connexions shall be of at least  $\frac{1}{4}$  inch diameter and of suitable length to ensure a tight connexion.

#### STRAP-TO-STRAP CONNEXIONS

8. A straight, T, Y or cross-connexion between a cable and a strap conductor shall be made with a connector rivetted or bolted to the strap and tightly fitted around at least 3 inches of the cable.

#### SUBSTITUTION FOR CONDUCTORS

9. Except as provided in subregulation 1 of regulation 49 and subregulation 2 of regulation 50 extended metal attachments or metal parts of buildings and structures shall not be substituted for conductors unless the metal is permanently electrically continuous and consists of copper, copper alloy or aluminum with an exposed area of at least 8 inches wide throughout its length, but for monuments or similar structures heavy and extensive parts consisting of other conducting metals and weighing at least 3 pounds a linear foot may be used instead of conductors.

#### COURSING OF CONDUCTORS

10.—(1) Conductors shall be coursed over roofs and along roof ridges and parapets so as to interconnect the air-terminals in as direct a path as practicable and over the eaves in as direct a path as practicable to the best locations for ground connexions, but where the nature or construction of a roof is such that it is difficult or objectionable to make attachments to it, the conductor may be coursed on the facing-board parallel to the roof and a connexion shall be made near the eaves between any metal eaves-trough and the conductor, and in the case of metal roofs, between the metal eaves and the conductor.

(2) There shall be at least 2 down-conductors on each building and structure except flag poles, masts, similar slender objects and silos that do not require more than 1 grounding under subregulation 3 of regulation 53.

(3) On flat roofs conductors shall be coursed within 2 feet of the edges of the roof or on the parapets.

(4) Where a flat roof is more than 40 feet in its

shorter dimension conductors, in addition to conductors within 2 feet of the edges of the roof or on the parapets, shall be coursed over the roof in such manner that there are parallel conductors in 2 directions not more than 35 feet apart.

#### PROHIBITIONS IN COURSING

11.—(1) No dead-end conductor shall exceed 16 feet in length.

(2) No conductor shall be electrically insulated from the building or structure on which it is installed.

(3) Except as provided in subregulation 2 of regulation 31 for the protection of groundings from corrosion, no conductor shall be run through metal pipe other than pipe of copper, copper alloy or aluminum and the conductor shall be electrically connected to each end of the pipe.

(4) No conductor shall be coursed across a roof-slope near the eaves or in any other location where snow or ice might dislodge or damage the conductor.

(5) No cable shall be suspended for a distance of more than 4 feet without adequate intermediate support.

(6) Any conductor around a chimney, eaves or other projecting part of a structure, shall not be coursed abruptly, but on an open curve or angle.

(7) No conductor shall be less than 6 feet from metal frames and cases of electrical equipment, metal conduits and other metal raceways, where practicable; but if a separation of 6 feet is not practicable, they shall be interconnected with the conductor.

#### MANNER OF COURSING

12. Conductors shall be coursed neatly and sufficiently tight to present a good appearance, but on grain elevators and other structures subject to physical deformation through cycles of loading and un-loading, the conductors shall have sufficient flexibility to guard against breakage.

#### LIMIT OF VERTICAL RISE

13. Conductors shall be coursed so that there is not a rise of more than 10 inches from any point in the conductor to any other point in the conductor in reaching at least 1 grounding, except that in the case of dead-end conductors, there shall not be more than a 6-inch rise, and in no case shall there be a rise of more than an inch in any 2 inches horizontally.

#### AVOIDANCE OF INTERIOR METALS

14. Where practicable, no conductor shall be within 6 feet of metal stalls, stanchions, litter-carrier tracks, pipes, posts, beams, water-tanks, stoves, furnaces or other interior metal objects, but if within 6 feet it shall be connected to them, as prescribed in regulation 45.

#### COURSING AROUND OBSTRUCTIONS

15. Where a cupola, ventilator or other obstruction prevents a straight run of conductor, the conductor shall be coursed horizontally around the obstruction and where the obstruction is of size or design requiring more than 1 air-terminal, the conductor shall also be coursed over the obstruction.

#### DOWN-CONDUCTORS

##### RECTANGULAR BUILDINGS AND STRUCTURES

16.—(1) On rectangular buildings and structures with other than flat roofs there shall be at least 2

down-conductors, and if the structure is more than 100 feet in length, there shall be an additional down-conductor for each 60 feet or part thereof in excess of 100 feet.

(2) On rectangular buildings and structures with flat roofs there shall be at least 2 down-conductors and where the perimeter of the building is more than 200 feet, there shall be an additional down-conductor for each 100 feet or part thereof in excess of 200 feet.

##### BUILDING WITH ANNEXES

17.—(1) On buildings with L, T or off-set wing portions conductors shall be provided for the main portion as if it were independent of the wing portions, but where practicable the down-conductors on the main portion may serve as down-conductors for the wing portions by connecting the conductors on the wing portions to them.

(2) A wing portion of a building having its roof ridge less than 10 inches below the roof ridge of the main portion shall have an additional down-conductor for each 80 feet of length or part thereof, measured along the wall or foundation, and the conductors on the wing portion and the main portion shall be interconnected at the junction of the 2 ridges.

(3) Except annexes provided for in regulation 54, a wing portion of a building having its roof ridge more than 10 inches below the roof ridge of the main portion shall have 2 down-conductors and where the wing portion is more than 100 feet in length, measured along the wall or foundation it shall have an additional down-conductor for each 60 feet of length or part thereof in excess of 100 feet, and where the roof ridge of a wing portion intersects the upper half of a main roof, the conductor on the ridge of the wing portion shall be connected with the conductor on the ridge of the main portion.

##### H-SHAPED BUILDINGS

18.—(1) Where the roof ridge of the interconnecting portion of an H-shaped building is not more than 10 inches below the roof ridges of the main portions it shall have a down-conductor if its roof ridge extends more than 100 feet and an additional down-conductor if the roof ridge extends more than 140 feet.

(2) Where the roof ridge of the interconnecting portion of an H-shaped building is more than 10 inches below the roof ridges of the main portions it shall have a down-conductor and if the roof ridge extends more than 60 feet, an additional down-conductor for each 60 feet of interconnecting roof ridge or part thereof in excess of 60 feet.

##### PROTECTION FROM DAMAGE ON SCHOOLS AND BARNES

19.—(1) On schools down-conductors shall be protected from damage or displacement by means of wood in the form of moulding, box or trough extending to a height of at least 10 feet from the ground and securely fastened to the wall,—

(a) on wood, by at least 2 metal straps and screws, and

(b) on brick or masonry, by 2 metal straps and screws in lead anchors.

(2) On barns and other buildings where down-conductors are likely to be displaced or damaged by live stock or vehicles, the down-conductors shall be protected against displacement or damage.

##### FASTENERS

20.—(1) Conductors shall be securely attached in place with fasteners suitable for the type and size of conductor and the nature of the structure.

(2) Lead may be used for anchors in brickwork or masonry but wedges of wood shall not be used as anchors for fasteners.

(3) Fasteners shall consist of straps and screws, screw-shank fasteners, fan-shank fasteners and drive-shank fasteners and each fastener shall when installed, be capable of withstanding a direct pull of 100 pounds.

(4) Strap conductors shall be securely supported in place,—

(a) on wood, by means of screw-nails or drive-screws spaced at intervals of not more than 6 feet if installed in pairs and not more than 3 feet if installed singly; and

(b) on brick or other masonry, by means of expansion-screws at least  $\frac{1}{4}$  inch in diameter screwed into anchors and spaced at intervals as provided in clause *a*.

(5) Strap fasteners shall be at least 20-gauge copper or 18-gauge aluminum and at least 0.4 inch in width and shaped to fit snugly over the conductor.

(6) Strap fasteners shall be secured in place,—

(a) in wood, by 2 screw-nails or drive-screws at least  $\frac{5}{8}$  inch in length or by straight nails at least  $1\frac{1}{8}$  inches long and coated with an asphalt base, cement or other substance which provides a permanent installation; or

(b) in brick or masonry, by screws in anchors.

#### SHANK-TYPE FASTENERS

21.—(1) Shank-type fasteners shall be provided with a fork of substantial construction which can be closed by bending without causing cracks in the metal.

(2) The shank of screw-shank fasteners shall be,—

(a) in wood, equivalent to a No. 10 wood-screw  $1\frac{1}{4}$  inches in length; and

(b) in brickwork or masonry, at least  $\frac{1}{4}$  inch in diameter and of sufficient length to provide a permanent installation.

(3) The shank of fan-shank fasteners shall be approximately  $\frac{1}{2}$  inch wide at the narrowest point and at least  $\frac{1}{10}$  inch thick and 3 inches long.

(4) The shank of drive-shank fasteners shall be ribbed or barbed to grip the hole when driven in or so constructed that the shank expands in the hole or anchor when driven or tamped into place.

#### SPACING AND LOCATION OF FASTENERS

22. Except as provided in subregulation 4 of regulation 20 and regulation 23, fasteners shall be required,—

(a) within 6 inches of all air-terminal connexions to the conductor;

(b) within 6 inches of every interconnexion of conductors;

(c) on down-conductors within 3 feet of ground level and within 4 feet of the eaves;

(d) on conductors, within 12 inches of and above the eaves;

(e) at or within 12 inches of all principal turns in the conductor;

(f) at intermediate points so that no space between fasteners exceeds 6 feet; and

(g) independent of non-permanent attachments to or on buildings and structures.

#### WHERE FASTENERS MAY BE OMITTED

23. Fasteners shall not be required in such numbers and at such intervals as prescribed in regulation 22,—

(a) where structural features make them unnecessary; or

(b) where excessive damage to the building or structure would result; or

(c) where the conductor is concealed under roofing or other cover; or

(d) where corrugated tile or other roof materials form a suitable channel for the conductor;

provided that the conductor is supported and secured so that it will not be displaced or damaged.

#### AIR-TERMINALS

24.—(1) Air-terminal tubing shall consist of 20-gauge copper or copper alloy or 18-gauge aluminum.

(2) Air-terminal rods of copper or copper alloy shall be  $\frac{7}{16}$  inch in diameter, and, of aluminum,  $\frac{1}{2}$  inch in diameter.

#### HEIGHT OF AIR-TERMINALS

25. The minimum height of air-terminals shall be,—

(a) on flag poles, masts, spires and similar objects and parts of structures, 9 inches above the top of the object or part;

(b) on roof-ridges and roof-parapets, of combustible material, 12 inches above them, and where the roof and roof-ridge or the parapet is of non-combustible material 9 inches above them;

(c) on flat roofs, 18 inches above them;

(d) on or beside chimneys, ventilators or cupolas, of other than metal, 12 inches above the top; and

(e) on silos, 12 inches above them.

#### PLACES WHERE AIR-TERMINALS REQUIRED

26. Air-terminals shall be installed,—

(a) within  $1\frac{1}{2}$  times the height of the air-terminal from each exposed gable and each corner of a flat roof, roof deck or parapet;

(b) within  $1\frac{1}{2}$  times the height of the air-terminal, not exceeding 6 feet in distance, from the outer corners of a dormer having a flat roof where,—

(i) the junction of the dormer roof and the main roof is less than 3 feet vertically below the main ridge, or

(ii) the dormer roof extends more than 6 feet horizontally from the main ridge;

(c) within  $1\frac{1}{2}$  times the height of the air-terminal, not exceeding 6 feet in distance, from the gable of a dormer having a roof-ridge less than 3 feet vertically below the main ridge or extending more than 6 feet horizontally from the main roof;

(d) on or within 12 inches of each non-metallic projection above the roof or parapet;

- (e) on or beside chimneys so that the distance from any part of the top of the chimney to an air-terminal is not greater than  $1\frac{1}{2}$  times the height of the air-terminal, but not exceeding 30 inches, above the top of the chimney;
- (f) within 12 inches of a stove-pipe projecting through a roof;
- (g) along roof ridges and parapets at intervals not exceeding 10 times the combined heights of the 2 adjacent air-terminals, but in no case exceeding 25 feet; and
- (h) on flat roofs at intervals not exceeding 35 feet.

## PLACES WHERE AIR-TERMINALS NOT REQUIRED

27. Air-terminals shall not be required on heavy smoke-stacks or other permanent metal projections but such projections shall be bonded to the conductor.

## AIR-TERMINAL CONNEXIONS

28.—(1) Air-terminal connexions shall withstand a pull of 50 pounds.

(2) Connexions to metal roofs shall be made by means of metal plates or straps, having not less than 9 square inches in tight contact with the roof-metal and securely fastened to the roof by means of screws or rivets.

(3) Connexions to strap conductors shall be by bolts or rivets.

## SUPPORTS FOR AIR-TERMINALS

29.—(1) Air-terminals shall be securely supported in position by braces, brackets or other appropriate devices.

(2) Braces shall,—

(a) be made of at least 15-gauge copper or copper alloy or 14-gauge aluminum strap, not less than  $1\frac{1}{4}$  inches in width, or copper, copper alloy, aluminum or galvanized iron rods not less than  $\frac{3}{4}$  inch in diameter;

(b) not exceed 40 inches in height and if over 18 inches in height have 2 guides for the air-terminals;

(c) be held in position on wood by means of 2 screws in each foot; and

(d) be held in position on concrete roofs, brick parapets and other masonry surfaces by means of an expansion-screw in a lead anchor or equivalent in each foot.

(3) Brackets shall,—

(a) be made of copper, copper alloy or aluminum;

(b) be designed to fit into air-terminal tubes for a distance of at least 2 inches; and

(c) be attached to the sides of chimneys or other vertical masonry surfaces by substantial fasteners, and to wood surfaces by at least 3 screws not less than  $1\frac{1}{4}$  inches in length.

(4) Appropriate devices other than braces and brackets shall be,—

(a) copper straps and bolts or rivets encircling the supporting object;

(b) fasteners prescribed in subregulation 6 of regulation 20; or

- (c) substantial cast footings, if the air-terminal is not more than 2 feet in height and is tightly crimped onto a dowel 2 inches in length.

## GROUNDINGS

## MATERIALS

30. Groundings shall consist of copper cable, round copper or copper-clad steel rods not less than  $\frac{1}{2}$  inch in diameter, round galvanized steel rods not less than  $\frac{3}{4}$  inch in diameter or copper plates.

## LOCATIONS

31.—(1) Groundings shall be spaced around buildings and structures so that the conductor can be coursed over the eaves to the groundings as direct as practicable.

(2) Groundings shall not be located as to be subject to corrosion by barn-yard seepage or chemicals unless they are protected by a solid lead pipe or tube from a point at least 12 inches above to a depth of 3 feet below the ground level, with the top end so sealed as to make it moisture-proof.

(3) Groundings shall not be within 6 feet from any gas main, gasoline tank or groundings for electric equipment or electric-wiring systems, but underground water-pipes may be used as a common grounding.

(4) Auxiliary groundings shall be so installed as to make use of the greatest area of soil.

## METHOD OF INSTALLATION

32.—(1) In addition to groundings prescribed in regulation 31, where an underground water-pipe is available a down-conductor shall be connected to it underground and outside any building.

(2) When a grounding is installed with a drive-bar or with a soil-auger, the hole surrounding the grounding shall be filled and tamped with dry soil or soil mixed with water to the consistency of thin mud.

(3) Coke, cinders or salt shall not be placed around groundings.

(4) Connexions of ground-rods to copper down-conductors shall be made between 6 inches and 12 inches below ground, and to aluminum down-conductors between 6 inches and 12 inches above ground.

(5) Groundings connected to aluminum down-conductors shall be galvanized-steel ground-rods.

(6) Connectors for groundings shall be,—

(a) copper or copper alloy for copper conductor; and

(b) aluminum or galvanized iron for aluminum conductor.

## MANNER OF CONNECTING

33.—(1) A down-conductor shall be connected to a ground-rod by a clamp fitted and bolted tight around and in tight contact with 5 inches of the down-conductor and 5 inches of the ground-rod.

(2) An interconnexion of auxiliary groundings or a connexion of an auxiliary grounding to a main grounding shall be made as prescribed in regulation 5.

(3) A connexion to a water-pipe shall be made by means of a clamp bolted tight around the pipe after removal of rust and scale.

(4) A connexion to a copper plate shall be made by rivets, bolts or solder.

## DEEP CLAY SOIL

34. In deep soil consisting chiefly of clay, including clay loam, groundings shall be made,—

- (a) by extending cable or ground-rods into the ground to a vertical depth of at least 10 feet;
- (b) by extending cable or ground-rods down to a depth of at least 6 feet, and adding an auxiliary grounding; or
- (c) by covering cable in a trench for a distance of at least 12 feet and at a depth of at least 2 feet throughout its length.

## DEEP SAND, GRAVEL OR STONES

35. In deep soil, consisting chiefly of sand, gravel and stones, including sandy loam, groundings shall be made,—

- (a) by extending cable or ground-rods into the ground to a vertical depth of at least 10 feet and adding an auxiliary grounding; or
- (b) by covering cable in a trench for a distance of at least 12 feet and at a depth of at least 2 feet throughout its length and adding an auxiliary grounding.

## SHALLOW CLAY SOIL.

36. In soil consisting chiefly of clay, including clay loam, where hard-pan or bed-rock is near the surface, groundings shall be made,—

- (a) if the hard-pan or bed-rock is at least 2 feet below the surface, by covering cable in a trench for a distance of at least 12 feet;
- (b) if the hard-pan or bed-rock is at least 12 inches but less than 2 feet below the surface, by covering cable in a trench for a distance of at least 12 feet and adding an auxiliary grounding; or
- (c) if the hard-pan or bed-rock is less than 12 inches below the surface, by covering cable in a trench for a distance of at least 12 feet and adding 2 auxiliary groundings.

## SHALLOW SAND, GRAVEL OR STONES

37. In soil consisting chiefly of sand, gravel and stones, including sandy loam, where hard-pan or bed-rock is near the surface, groundings shall be made,—

- (a) if the hard-pan or bed-rock is at least 2 feet below the surface, by covering cable in a trench for a distance of at least 12 feet and adding an auxiliary grounding;
- (b) if the hard-pan or bed-rock is at least 12 inches but less than 2 feet below the surface, by covering cable in a trench for a distance of at least 12 feet and adding 2 auxiliary groundings; or
- (c) if the hard-pan or bed-rock is less than 12 inches below the surface, by connecting all the down-conductors to a cable laid in a trench encircling the structure at a distance of at least 2 feet from the walls and adding 2 well-separated auxiliary groundings to the encircling cable for each down-conductor.

## QUICKSAND

38. When quicksand is encountered, if a depth of 10 feet cannot be attained, the groundings shall be made by extending them down to the quicksand and adding an auxiliary grounding.

## AUXILIARY GROUNDINGS

39. An auxiliary grounding shall be,—

- (a) cable laid for a distance of 12 feet in a trench, or laid for a distance of at least 6 feet in a trench and then extended to a vertical depth of 10 feet below the surface of the earth, or to a depth equal to the depth of the main grounding to which it is connected, but not less than 6 feet where a depth of 10 feet cannot be reached, except that the vertical portion may be a ground-rod; or
- (b) a copper plate not less than 1/16 inch in thickness and not less than 3 square feet in area on each side, embedded in a depth of 12 inches of well-packed powdered charcoal.

## TRENCH

40. A trench, for the purpose of installing groundings and auxiliary groundings shall be at least 2 feet in depth throughout its length or down to hard-pan or bed-rock.

## OHMIC RESISTANCE

41. Notwithstanding that a certificate of installation on form 5 has been signed by the person who installed lightning rods and the owner or his agent, the electrical resistance of the interconnected groundings in parallel shall not exceed 50 ohms.

## INTERCONNECTION AND GROUNDING OF METALLIC BODIES

## EXTERIOR ROOF METALS

42.—(1) Metal on the exterior of a roof shall,—

- (a) if vertical, be connected to the conductor at the roof-line or from its lower end except where it has an independent grounding and is 6 feet from the conductor;
- (b) if a water-tank, bell or other compact metallic body, be connected to the conductor, except where it has an independent grounding and is 10 feet from the conductor;
- (c) if linear along roof ridges, parapets, cornices or other exposed locations, be connected to the conductor or other grounded metal; or
- (d) if an extension to a chimney, be connected to the conductor.

(2) Metal roofs, including isolated metal sections, shall be grounded.

## EXTERIOR WALL METALS

43.—(1) Metal on the exterior of the walls of a building or structure shall,—

- (a) if a rain-spout, guy-wire, support of a litter-carrier track or other vertical metal, be grounded from its lower end and connected from its upper end to conductors within 6 feet and metal roofs within 3 feet; or
- (b) if a door track or other horizontal metal, less than 12 feet in length, be connected to conductors within 4 feet, and more than 12 feet in length, be connected to conductors within 6 feet.

(2) Metal siding, including isolated sections, shall be grounded.

## METALS PROJECTING THROUGH WALLS AND ROOFS

44.—(1) Metal projecting through a roof shall be

grounded from its lower end and connected to conductors and other metal within 6 feet on or projecting through the roof.

(2) Metal projecting through a wall shall be grounded from the end or lowest point within the structure and from the point where it emerges from the structure and connected to conductors and other metal within 6 feet, where practicable.

#### INTERIOR METALS CLOSE TO CONDUCTORS

45. Metal inside a structure and within 6 feet of a conductor shall,—

- (a) if shafting, stanchions, litter-carrier track or horizontal pipe, be connected to conductors within 6 feet where practicable and grounded from its farther extremity or extremities, and have an independent grounding for each 100 linear feet or part thereof;
- (b) if a ventilating shaft, pipe or other vertical metal, be grounded from its lower end and, where practicable, connected at or near the top of the metal to conductors within 6 feet;
- (c) if a hay-fork track, be connected to a conductor from each end that is less than 6 feet from an exposed wall of the structure, and have a connexion to a conductor or an independent grounding in any case; or
- (d) if a water-tank, engine or other heavy compact stationary metal body, be connected to conductors within 6 feet, where practicable, and have an independent grounding.

#### INTERIOR METALS REMOTE FROM CONDUCTORS

46.—(1) Metal within a structure and not within 6 feet of or connected to a conductor shall,—

- (a) if a litter-carrier track, have an independent grounding for each 100 feet or part thereof;
- (b) if pipes, stanchions or enclosed stalls, have an independent grounding for each pipe, stanchion or stall or for each 100 feet or part thereof of interconnected pipes, stanchions and stalls measured along the pipes, heads of the stanchions and perimeters of the stalls;
- (c) if a hay-fork track, have an independent grounding or be connected to a conductor from an end of the track; or
- (d) if a water-tank, engine or other stationary heavy compact metal body, have an independent grounding.

(2) Interior metal more than 6 feet from a conductor but connected to it shall also have an independent grounding.

(3) Where the electrical continuity of milking-machine pipes is broken by the insertion of rubber hose or other insulating material, the break in the continuity shall not be bridged.

#### INDEPENDENT GROUNDINGS

47.—(1) Independent groundings for rain-spouts and for other metal bodies, more than 6 feet from and not connected to a conductor, shall be equivalent to at least 50 per cent of groundings prescribed in regulations 33 to 40, both inclusive, and a depth of 6 feet shall be deemed to be  $\frac{1}{2}$  the value of a depth of 10 feet and the value of a conductor in a trench shall be proportional to the length of the trench.

(2) Independent groundings for metal bodies connected to a conductor or less than 6 feet from a con-

ductor shall be as prescribed in regulations 33 to 40, both inclusive.

#### CONDUCTING MATERIALS FOR CONNEXIONS TO METAL BODIES

48.—(1) Connexions of metal bodies to conductors, metal roofing or metal siding shall be made with cable or strap.

(2) Interconnexions of metal bodies not connected to conductors, metal roofing or metal siding, and connexions of metal bodies to independent groundings shall be made with at least 6-gauge copper or 4-gauge aluminum wire, twisted or braided wires of gauges prescribed in subregulation 1 of regulation 4 and  $\frac{1}{2}$  the weight prescribed in subregulation 2 of regulation 4 for cable or metal strap having  $\frac{1}{2}$  the cross-sectional area of strap conductors specified in subregulation 1 of regulation 6.

(3) Connexions of rain-spouts and of metal bodies, which are connected to conductors, metal roofing or metal siding to independent groundings shall be made with cable or strap.

#### METAL-ROOFED, METAL-CLAD AND STEEL-FRAME BUILDINGS AND STRUCTURES

##### MANNER OF INSTALLATION OF SYSTEMS

49.—(1) Metal roofs shall be provided with air-terminals as prescribed under regulation 26.

(2) A conductor shall be coursed over a metal roof in the same manner as over a roof other than metal, but coursing shall not be required where a metal roof is grounded by attaching conductors to the eaves or to grounded metal siding, but only where the roof and siding are in good electrical contact or the eaves and siding are interconnected in at least 3 places at intervals not exceeding 40 feet.

(3) A metal-roof slope or interconnected metal-roof slopes, when grounded through conductors attached to the eaves, shall have 2 down-conductors if the length of the eaves or interconnected eaves exceeds 30 feet and 3 down-conductors if the length exceeds 100 feet.

(4) Where groundings are connected to metal siding only, they shall be installed at the main corners of the building or structure and at intervals not exceeding 100 feet measured horizontally along the metal siding.

(5) Connexions of conductors to metal eaves and metal siding shall be made by means of metal plates having an area of tight contact of at least 9 square inches and secured by bolts, rivets or screws.

#### STRUCTURAL METALS

50.—(1) Independent metal trusses or other units of framework of a building or structure shall be grounded from the lower end and be connected from the upper end to conductors, metal roof or metal siding if within 6 feet thereof.

(2) Steel-frame or skeleton-steel buildings and structures may be equipped with air-terminals connected to the grounded steel frame.

#### STATIONARY METAL BODIES

51.—(1) Metal bodies in, on or projecting from metal-roofed and metal-clad buildings and structures shall be connected, interconnected and grounded as prescribed in regulations 42 to 47, both inclusive, but connexions may be made to the metal roof or metal siding instead of to conductors.

(2) All parts of metal roofs and metal siding shall be bonded and grounded, but if more than 6 feet apart may be grounded independently.

MISCELLANEOUS STRUCTURES

TALL PROJECTIONS

52. Flag poles, radio masts, towers, spires and smoke-stacks may be equipped with a system independent of the structure of which they are a part or on which they are erected, but if the structure is equipped with a system, the systems shall be interconnected.

SILOS

53.—(1) A silo within 8 feet of a building and extending above the adjacent roof-line shall be a part of the building for purposes of this Act.

(2) Air-terminals shall be installed on silos as follows,—

- (a) on conical or pointed roofs, one air-terminal;
- (b) on ridge roofs and roofs with dormers, as prescribed under regulation 26; and
- (c) on open silos, 2 or more air-terminals spaced not more than 25 feet apart, measured around the outside of the wall, and interconnected by cable or strap.

(3) Conductors on silos may have separate groundings or be connected to a conductor on an adjacent building or structure, or both, and if a silo has an outside diameter more than 14 feet or extends more than 4 feet above the adjacent roof-line, it shall have at least 2 groundings.

SMALL ANNEXES

54. An annex shall be a part of the building or structure for purposes of this Act, except where,—

- (a) it is not more than 8 feet in height, including chimneys, vents and other projections;
- (b) its height plus the distance it extends from the main building or structure is not greater than  $\frac{3}{4}$  of the height of the adjoining wall of the main building or structure; or
- (c) it is wholly within a cone of protection.

WIRES

55.—(1) Fence wires, metal clothes-lines, metal guy-wires and similar wires shall be disconnected or electrically insulated from a building or structure or grounded.

(2) Where a wire is connected to a conductor on a building or structure it shall also have an independent grounding at the end remote from the building or structure.

(3) Independent groundings for wires shall be at least 10-gauge copper wire extended to a depth of 6 feet or laid in 6 feet of trench, or equivalent.

(4) Connexions of wires to conductors or groundings shall be made with at least 10-gauge copper or 8-gauge aluminum wire or equivalent.

56.—(1) The seal mentioned in subsection 2 of section 9 of the Act shall be a metal disc having a looped copper wire running through it which shall be attached to each down-conductor.

(2) One side of the seal shall bear the name "Fire Marshal of Ontario" and the number of the Inspector and the year of the inspection, and the other side the words: "This installation is at the time of inspection in conformity with *The Lightning Rods Act, 1948*, and the regulations".

To authorize and empower the Council of The Corporation of the City of London to submit, for the approval of electors entitled to vote on money by-laws, at any time during the year 1949, by-laws on any or all of the following: For the purchase of the undertaking and assets of The London Street Railway Company, or any part thereof; for the granting of a franchise to operate a transportation system in the City of London; for the establishment of a municipally operated transportation system in the City of London; for the reconstruction, at a cost not exceeding \$150,000, of the Canadian Pacific Railway Company's overhead bridge at Oxford Street, in conjunction with the proposed new bridge over the River Thames; for borrowing money for any of the foregoing purposes and issuing debentures therefor.

2. To authorize and empower The Corporation of the City of London to purchase the undertaking and assets of The London Street Railway Company or any part thereof, and to carry on any or all the powers, privileges and undertakings of the Company.

3. To authorize and empower The Corporation of the City of London to establish, by purchase or otherwise, a municipally operated transportation system in London and surrounding areas, and to own real and personal property for use in connection therewith.

4. Without limiting the generality of the foregoing, to authorize and empower The Corporation of the City of London, as principal, trustee, agent, lessee or otherwise, to construct, establish, equip, alter, extend, maintain and operate a surface transportation system, and acquire and hold property rights and franchises in connection therewith, and whether within or without the limits of the City of London; and from time to time to lease, sell or otherwise dispose of the same, or any part thereof; and to delegate the operation and maintenance thereof, and to rescind from time to time such delegation.

5. To authorize and empower The Corporation of the City of London and The Board of Hospital Trustees of the City of London to enter into an agreement or agreements, lease or leases with The Ontario Cancer Treatment and Research Foundation, and to carry out the terms and provisions thereof for the erection of an addition to Victoria Hospital, London, and the leasing of the same, or any part thereof, to the said Foundation upon such terms and conditions and periods of time as may be agreed upon, provided such term shall not exceed ten years and three renewals thereof of ten years each.

6. To authorize and empower The Corporation of the City of London and The London Railway Commission, severally or in conjunction, subject to the provisions of The Highway Traffic Act and The Public Vehicles Act, to purchase or otherwise acquire and to operate, in conjunction with The London and Port Stanley Railway or otherwise, either as principals, trustees, agents, lessees or otherwise, a system of buses for carriage of passengers to and from the City of London and the Village of Port Stanley and intervening points.

Dated at London this 25th day of January, A.D. 1949.

### NOTICE

NOTICE IS HEREBY GIVEN that the Council of the Township of North York has enacted the following By-law to compel the prevention of smoke nuisance within the Township of North York in accordance with the provisions of The Municipal Act, R.S.O. 1937, Sec. 405 (71):

TOWNSHIP OF NORTH YORK  
BY-LAW NUMBER 5992

A By-law to compel the prevention of  
smoke nuisance

The Municipal Council of the Corporation of the Township of North York hereby enacts as follows:

1. That no Owner, Lessee, Tenant, Agent, Manager of Occupant of any premises or of a steam boiler in connection with which a fire is burning, and no person who operates, uses or causes or permits to be used any furnace or fire, within the limits of the Corporation of

the Township of North York, shall permit the emission to the atmosphere from such fire of opaque or dense smoke for a period of more than six minutes in any one hour, or at any other point than the opening to the atmosphere of the flue, stock or chimney. Nothing herein contained shall apply to a furnace or fire used in connection with the reduction, refining or smelting of ores or minerals or the manufacture of cement, brick or tiles, or to dwelling houses, except apartment houses.

2. That no person shall incur a penalty for an infraction of this By-law until ninety days after notice from the Corporation of the existence of such By-law, and such notice may be given by the publication of the By-law in The ONTARIO GAZETTE and in a daily newspaper published in the Municipality for four successive weeks.

3. That any person convicted of a breach of any of the provisions of this By-law shall forfeit and pay at the discretion of the convicting Magistrate, a penalty not exceeding, exclusive of costs, the sum of Fifty Dollars (\$50.00) for each offence.

Enacted and passed this 27th day of January, A.D. 1949.

## THE MILK CONTROL ACT, 1948

O. Reg. 27/49.

General and Revoking O. Regs. 63/45,  
250/47, 262/47, 266/47, 270/47,  
11/48, 19/48, 26/48 and 37/48.

Made—1949.

Filed—18th February, 1949, 3.00 p.m.

REGULATIONS MADE BY THE BOARD  
UNDER THE MILK CONTROL  
ACT, 1948

## INTERPRETATION

## 1. In these regulations,—

- (a) "fluid milk" means milk distributed in its natural state and includes pasteurized milk;
- (b) "manufacturing milk price" means the price payable to producers by processors for milk as determined by collective bargaining under section 7 of the Act or by arbitration under section 8 of the Act;
- (c) "peddler" means a person who operates a milk-delivery business and who obtains the milk delivered from a distributor;
- (d) "producer-distributor" means a producer who distributes fluid milk produced by his own cows; and
- (e) "regular distributor" means a distributor other than a peddler or a producer-distributor.

## PART I

## GENERAL

## LICENCES

2. This part shall apply to processors, distributors and transporters.

3. The following classes of distributors are designated:

- (a) regular distributors;
- (b) producer-distributors; and
- (c) peddlers.

4. The Board may issue a licence to,—

- (a) a regular distributor, in form 1;
- (b) a producer-distributor, in form 2;
- (c) a peddler, in form 3;
- (d) a processor, in form 4; and
- (e) a transporter, in form 5.

5.—(1) Except under the authority of a licence,—

- (a) no distributor, producer-distributor, peddler or processor shall engage in the business of distributing or processing milk; and
- (b) no transporter shall engage in the business of transporting milk to a market having a representative group of producers, distributors, processors and transporters organized for the purpose of making recommendations to the Board in respect of transportation of milk.

(2) Subregulation 1 shall not apply to a shopkeeper.

6. An application for a licence shall be made to the Board and shall be, in the case of,—

- (a) a regular distributor, producer-distributor or peddler, in form 6;
- (b) a processor, in form 7; and
- (c) a transporter, in form 8.

7.—(1) Licences, other than transport licences, shall be valid from and including the 1st of January in the year of issue to and including the 31st of December in the same year.

(2) A transporter's licence shall be valid from and including the 1st of April in the year in which the licence is issued to and including the 31st of March in the following year.

8. Licences shall not be transferable.

9. The fee for every licence shall be \$1 and shall be transmitted to the Board with the application for the licence.

## RETURNS

10. Producers, transporters, processors, distributors and persons who keep for sale or sell milk shall furnish to the Board such information or returns as the Board may determine.

## EXEMPTIONS

11. A producer-distributor who sells not more than 20 quarts of milk or 3 quarts of cream a day in that part of Ontario where milk is not required to be pasteurized under *The Public Health Act* or regulations thereunder, and a producer who sells pasteurized cream in any public market where products of the farm are sold direct to consumers and the cream is not delivered to the premises of the consumer are exempt from this Act and the regulations.

## FIELD-MEN

12. A field-man may enter the premises of any distributor or processor, and may,—

- (a) with respect to the purchase and sale of milk, require production of and examine all books, records, tests and other things relating to milk;
- (b) make any tests which may be requisite for checking butter-fat content or otherwise of milk; and
- (c) require lists certified by the processors or distributors of all producers and others supplying milk to them.

## REVOCATION

13. Ontario Regulations 63/45, 250/47, 262/47, 266/47, 270/47, 11/48, 19/48, 26/48, and 37/48 are revoked.

## PART II

## FLUID-MILK DISTRIBUTION

14. This part shall apply to fluid-milk distribution.

15. The Board shall not issue a licence to a distributor until approval of the plant and equipment of the distributor has been obtained from the Ontario Department of Health.

16. No person shall supply milk to or pasteurize milk for any other person for resale unless that other person is the holder of a licence under these regulations or is exempt from the Act or these regulations.

17. If a distributor discontinues business as a distributor or discontinues the sale and regular delivery of milk to consumers his licence shall be revoked.

18. Where a distributor operates more than one plant, he shall obtain a separate licence for each plant.

19. A peddler may operate one delivery vehicle only.

#### TERMS OF PAYMENT

20. Subject to subsection 1 of section 7 of the Act, where milk is purchased from a producer,—

- (a) on a weekly credit basis, the milk received during any one week shall be paid for not later than Wednesday of the following week;
- (b) on a bi-weekly credit basis, milk received during any period of two weeks shall be paid for not later than the 10th day thereafter;
- (c) on a twice-a-month credit basis, milk received during the first half of the month shall be paid for not later than the 25th day of the month and milk received during the remainder of the month shall be paid for not later than the 10th day of the following month; and
- (d) on a monthly credit basis, the milk received during any one month shall be paid for not later than the 15th day of the following month.

21.—(1) With the annual application for a distributor's licence a distributor shall deposit with the Board security in the form of,—

- (a) direct and guaranteed securities of the Government of Canada;
- (b) direct and guaranteed securities of the Government of Ontario; or
- (c) a surety bond of a guarantee company approved under *The Guarantee Companies Securities Act*, in form 9;

in an amount in accordance with regulation 22.

(2) Subregulation 1 shall not apply to,—

- (a) a distributor who purchases no milk from producers; or
- (b) a distributor whose monthly purchases of milk are less than \$500 and who has with the approval of the Board made arrangements for weekly payment.

22.—(1) Where security is required under regulation 21 it shall be in the following amounts:

- (a) where producers are paid on a weekly, bi-weekly or twice-a-month basis, not less than the value of milk received from producers during a period of 30 days;
- (b) where producers are paid on a monthly basis, not less than the value of milk received from producers during a period of 45 days; or
- (c) where a distributor is commencing business, an estimated amount based on clause *a* or *b* but not less than \$500.

(2) Subject to clause *c* of subregulation 1, the minimum value of milk for the determination of the amount of the security shall be the average monthly value of milk delivered to the distributor during the previous year.

23. No milk distributor shall,—

- (a) deliver milk to shopkeepers or retail consumers except by means of the regular delivery vehicle for the area in which the consumer is located, operated by the regular driver of that vehicle and during the time of the regular service for that area;
- (b) make more than seven deliveries a week to any shopkeeper or retail consumer; or
- (c) provide special delivery service to serve a portion of an area, either before or after the regular time of delivery for that area, to retail consumers.

#### RECORDS

24. A distributor shall keep for 12 months complete records of all milk purchased and these records shall include the following:

- (a) the weights of all milk received from each producer daily;
- (b) the weights of all milk received from sources other than producers daily;
- (c) the butter-fat test of all milk received from each producer or from any other source;
- (d) a summary of all milk received each day and during each payment period; and
- (e) the original entries of the weight of milk purchased and of the butter-fat test of the milk.

25. A distributor shall keep for 12 months a complete record of milk sold and the records shall include the following:

- (a) the number of gallons, quarts, pints, half-pints and other units of milk sold each day by each driver of a delivery vehicle and the proceeds of the sales including sales by retail and wholesale;
- (b) the number of gallons, quarts, pints, half-pints and other units of milk sold each day over the counter at the plant of the distributor and the proceeds of the sales;
- (c) the number of gallons, quarts, pints and half-pints of milk sold each day to peddlers and processors and to other distributors; and
- (d) the total of all milk sold for each payment period by the distributor including the total gallons, quarts, pints and half-pints sold and the selling price of the milk.

26.—(1) A distributor shall give a statement to each producer from whom milk has been received showing,—

- (a) the weights of milk received daily during the payment period;
- (b) the butter-fat test for the payment period;
- (c) the number of pounds of milk purchased and the price to be paid therefor;
- (d) the payment price, including differentials, and total value for each class of milk;
- (e) the value and explanation of any deductions; and
- (f) where producer quotas are in effect the number of pounds in the quota.

(2) A copy of the statement shall be kept by the distributor for 12 months.

PART III

MANUFACTURING MILK

27. This part shall apply to processors.
28. Where a processor discontinues business his licence shall be revoked.
29. Where a processor operates more than one plant, he shall obtain a separate licence for each plant.

TERMS OF PAYMENT

30. Subject to subsection 1 of section 7 of the Act, where milk is purchased from a producer,—
- (a) on a weekly credit basis, the milk received during any one week shall be paid for not later than Wednesday of the following week;
  - (b) on a bi-weekly credit basis, milk received during any period of two weeks shall be paid for not later than the 10th day thereafter;
  - (c) on a twice-a-month credit basis, the milk received during the first half of the month shall be paid for not later than the last day of the month and milk received during the remainder of the month shall be paid for not later than the 15th day of the following month; and
  - (d) on a monthly credit basis, the milk received during any one month shall be paid for not later than the 15th day of the following month.

RECORDS

31. A processor shall keep for 12 months complete records of all milk purchased and the records shall include the following:
- (a) the weights of all milk received from each producer daily;
  - (b) the weights of all milk received from sources other than producers daily;
  - (c) the butter-fat test of all milk received from each producer or from any other source;
  - (d) a summary of all milk received each day and during each payment period; and
  - (e) the original entries of the weight of milk purchased and of the butter-fat test of the milk.
- 32.—(1) Every milk processor shall give a statement to each producer from whom milk has been received showing,—
- (a) the weights of milk received daily during the payment period;
  - (b) the butter-fat test for the payment period;
  - (c) the number of pounds of milk purchased at the manufacturing milk price;
  - (d) the payment price, including differentials, and total value for each class of milk; and
  - (e) the value and explanation of any deductions.
- (2) A copy of the statement shall be kept by the processor for 12 months.

PART IV

TRANSPORTATION

33. This part shall apply to transporters.

34. If a transporter discontinues the business of transporting milk, his licence shall be revoked.
35. A transporter shall obtain a licence for each vehicle operated by him and he shall exhibit the licence for each route in a conspicuous place inside the cab of the vehicle.
36. A transporter shall keep for 12 months a record of all business transacted in respect of the transportation of milk including the following:
- (a) the number of cans of milk transported each day for each producer;
  - (b) the name of the distributor or processor to whom the milk of each producer is delivered; and
  - (c) a summary at the end of each payment period showing the total number of cans delivered to each distributor or processor from each producer.

PART V

MARKETING AGENCIES

37. This part shall apply to marketing agencies.
38. An inspector, appointed by a marketing agency, may enter the premises of any distributor or processor in the market for which the marketing agency is established, and may,—
- (a) with respect to the purchase and sale of milk, require production of and examine and make copies of all books, records and tests relating to milk in the market of the marketing agency;
  - (b) make any tests which may be requisite for checking the butter-fat content or otherwise of milk in the market of the agency; and
  - (c) require lists certified by the processors and distributors of all producers and others supplying milk to them.

### THE PUBLIC LANDS ACT

O. Reg. 29/49.  
Former Member of The Forces.  
Amending O. Reg. 59/44.  
Made—17th February, 1949.  
Filed—21st February, 1949.

### REGULATIONS MADE UNDER THE PUBLIC LANDS ACT

Regulation 11 of Ontario Regulations 59/44 is revoked and the following substituted therefor:

11.—(1) In this regulation "former member of the forces" means a person who,—

- (a) at the time of enlistment was domiciled in Canada;
- (b) served in a theatre of actual war in His Majesty's Active Service Forces or in the Active Service Forces of any of His Majesty's Allies, during the war of,—
  - (i) 1914 to 1918; or
  - (ii) 1939 to 1945; and
- (c) has been,—
  - (i) honourably discharged; or

- (ii) permitted honourably to resign or retire from His Majesty's Active Service Forces or the Active Service Forces of any of His Majesty's Allies.

(2) In subregulation 1 "theatre of actual war" means,—

(a) in respect of World War I,—

- (i) a zone of His Majesty's Active Service Forces or Active Service Forces of any of His Majesty's Allies on the continents of Europe, Asia or Africa, as applied to the military or air forces; and
- (ii) the high seas or wherever contact has been made with forces of the enemy, as applied to the naval forces.

(b) in respect of World War II,—

- (i) any place outside the Western Hemisphere;
- (ii) any place in a sea-going ship of war; or
- (iii) any place in an aircraft outside Canada and the United States of America and the territorial waters thereof.

(3) For the purposes of subclause i of clause b of subregulation 2, "Western Hemisphere" means the continents of North and South America, the islands forming part thereof, and the territorial waters thereof, including Newfoundland, Bermuda and the West Indies, but excluding Greenland, Iceland and the Aleutian Islands.

(4) Application for a free grant of public lands by a former member of the forces shall be in Form 2 and shall be accompanied by a certificate of discharge, resignation or retirement.

(5) Where a former member of the forces makes application for a free grant of public lands, he shall be entitled, subject to subregulations 8, 9, 10 and 11, to a free grant not exceeding 160 acres of public lands appropriated for agricultural purposes.

(6) A free grant under this regulation may be made on the terms and conditions that the applicant,—

- (a) reside on the land for 6 months of the period from the 1st of April to the 30th of November for 3 consecutive years following location;
- (b) construct a habitable house having at least 320 square feet of floor space; and
- (c) clear, stump and cultivate at least 2 acres of new land in each year until 10 per cent of the total area is under cultivation.

(7) If the free grant is made under subregulation 9 and is of additional land of not more than 80 acres, the applicant need not reside on the additional land.

(8) An applicant who is,—

- (a) the owner of 300 acres or more;
- (b) the locatee or purchaser of 160 acres; or
- (c) the patentee of public lands under regulation 12a,

shall not be entitled to a free grant of public lands.

(9) An applicant who is the owner of less than 300 acres, or the locatee or purchaser of less than 160 acres, may apply for a free grant of additional land where the additional land comprises a whole lot or an aliquot part of a lot.

(10) A free grant of additional land under sub-regulation 9 shall not increase the total land held by an owner beyond 300 acres, or the total unpatented land held by a locatee or purchaser beyond 160 acres.

(11) Subject to subregulation 9, a former member of the forces shall not be entitled to more than one free grant of public lands.

(12) The provisions of Part II of *The Public Lands Act* shall apply to free grants to former members of the forces, except those contained in section 34; subsections 1 to 6, both inclusive, of section 36; sections 37, 38, 39, 41, 42, 42a and 44; subsections 2 to 5, both inclusive, of section 45; subsection 2 of section 46; section 48 and section 50.

## Application to Parliament

### NOTICE OF APPLICATION TO THE LEGISLATIVE ASSEMBLY OF THE PROVINCE OF ONTARIO

NOTICE IS HEREBY GIVEN that the Corporation of the Township of Sandwich West intends to apply to the Legislative Assembly of the Province of Ontario at the present Session for a Special Act.

1. Authorizing the Council of the Corporation to undertake by by-law the cleaning out of ditches and drains within the Township and to enter upon lands for the doing of such work within the Township and for the levying of the cost thereof by a special rate borne by the whole of the rateable property in the Township of any area defined in the by-law authorizing the work.

2. To amend Section 2 of The Township of Sandwich West Act, 1939, by increasing the amount of \$1.50, authorized therein to be levied for taxes, to \$2.50.

3. To ratify and confirm Section 1 of Article V of the Plan for the re-organization of the debenture and other indebtedness of the Township of Sandwich West dated December 1, 1946, and to declare that the same has applied and will continue to apply in respect of the refunded debt originally incurred for local improvements and to the special assessments as originally imposed for the same insofar as the same had not been levied prior to 1945 and to confirm the levies made in respect thereof in the years 1945, 1946, 1947 and 1948 respectively and to provide for the balance of such special assessments which have not yet been levied being levied annually until all the levies have been made as originally imposed, subject always to such variations thereof as the Department of Municipal Affairs from time to time direct as authorized by Article V of the said Plan.

Government Notice—Under The Mining Tax Act

GOVERNMENT NOTICE  
UNDER THE MINING TAX ACT

NOTICE

LANDS TO BE FORFEITED FOR ARREARS OF  
TAXES UNDER THE MINING TAX ACT

Pursuant to the provisions of The Mining Tax Act, section 20 (Chapter 28, R.S.O. 1937, and Amendments), the following list is published of mining locations, mining claims and mining rights in respect of which taxes imposed by the said Act are more than two years in default, and notice is hereby given that, unless the amount due as shown on the said list shall have been paid on or before September 26th, 1949, the property in respect of which the taxes so remain unpaid shall, on the day following the above date, become forfeited to and vested in the Crown, but shall not be open for staking until declared open by a subsequent order-in-council.

The lands to be forfeited are given in the judicial districts in which they are situated. Owners of the property thus advertised are advised that there is a statutory charge incurred if payment is delayed beyond May 26th, 1949.

Communications regarding this matter should be addressed to A. R. Crozier, Mine Assessor, Department of Mines, Parliament Buildings, Toronto 2.

H. C. RICKABY,  
Deputy Minister of Mines.

Toronto, Ontario,

**Application to Parliament**NOTICE OF APPLICATION TO THE  
LEGISLATIVE ASSEMBLY OF THE  
PROVINCE OF ONTARIO

NOTICE IS HEREBY GIVEN that the Corporation of the Township of Sandwich West intends to apply to the Legislative Assembly of the Province of Ontario at the present Session for a Special Act.

1. Authorizing the Council of the Corporation to undertake by by-law the cleaning out of ditches and drains within the Township and to enter upon lands for the doing of such work within the Township and for the levying of the cost thereof by a special rate borne by the whole of the rateable property in the Township of any area defined in the by-law authorizing the work.

2. To amend Section 2 of The Township of Sandwich West Act, 1939, by increasing the amount of \$1.50, authorized therein to be levied for taxes, to \$2.50.

3. To ratify and confirm Section 1 of Article V of the Plan for the re-organization of the debenture and other indebtedness of the Township of Sandwich West dated December 1, 1946, and to declare that the same has applied and will continue to apply in respect of the refunded debt originally incurred for local improvements and to the special assessments as originally imposed for the same insofar as the same had not been levied prior to 1945 and to confirm the levies made in respect thereof in the years 1945, 1946, 1947 and 1948 respectively and to provide for the balance of such special assessments which have not yet been levied being levied annually until all the levies have been made as originally imposed, subject always to such variations thereof as the Department of Municipal

Affairs from time to time direct as authorized by Article V of the said Plan.
